PUF WORKS

No. 8-10—48. 1.

CAUVERY POWER.

The Deputy Commissioners of Bangalore, Kolar and Mysore districts, are requested to warn all those concerned within their respective jurisdiction that the erection of the Cauvery Transmission Line from Sivasamudram to the Kolar Gold Fields will shortly be undertaken by the Public Works Department:—

2. The line will pass through the following taluks.

Malvalli taluk	... ...	Mysore district.
Kankanhalli taluk Anekal do	... ...	Bangalore do
Malur taluk Bowringpet do	... ...	Kolar do

3. The cordial co-operation of all District and Village officers with the Public Works Department Officers in this work is most necessary. A very small quantity of land will be required permanently, and as a rule the villagers will be free to cultivate beneath the lines.

4. Compensation will be given for any damage done to standing crops, &c., during the progress of the work.

5. The head of each taluk and village should be held personally responsible that no damage is done to the line within his charge, that no pegs, stones or materials are removed.

6. All villagers should be warned on no account to attempt to climb the poles or touch the line of conductors even with a wooden rod, as this will mean instant death, owing to the high pressure carried on the line. Also in the event of a wire falling to the ground. This may look most harmless, but the fact of a person or animal touching it will surely result in death.

7. The above facts should be widely circulated and impressed on the people from the very commencement.

8. Before the current is turned on, hand-bills will be posted in every village along the line.

By Order,
A. J. DE LOTBINIERE, *Captain,*
Under-Secretary to the Govt. of Mysore, P. W. D.
